Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Residents,

May I express my thanks to you for re-electing me in May as your County Councillor? It was a great pleasure to meet so many of you face to face on the doorstep during the campaign. I enjoyed our conversations and it was great to know from your comments that you appreciate the work I and my colleagues do in the Village throughout the year, not just at election times.

It has been a busy couple of months since the election, as my wife and I have moved to Bar Hill (4, Hollytrees) from Dry Drayton. We look forward to many more happy years as local residents.

On the County Council my main appointments are as Deputy Leader of the County Council and Chairman of the committee to appoint the new Chief Executive. I am a member of the Policy Committee, numerous Working Groups and Service Advisory Panels, and am a representative of the Council to a number of external organisations. I have also been re-elected as Chairman of the Police Authority.

As your County Councillor I will continue to represent all residents to the best of my ability. Once again, thank you for all your support.

John Reynolds

Dear Editor,

Having arrived home from a wonderful holiday, we were met with a complaining letter from an anonymous neighbour. We agreed with the sentiments of the letter and dealt with the problem immediately, but isn't it a pity that the writer(s) did not have the courage and neighbourliness to discuss the problem with us directly?

Policing in Bar Hill

As many of you know, the damage in Bar Hill is continuing to occur on a regular basis. **Someone** must be seeing it happen. Please help put a stop to it by telling us who is responsible, otherwise what message are we giving to the younger people in the village?

There are a number of rumours circulating, some are fairly accurate, some are not, so please ensure your facts are correct before causing people undue concern.

With the light evenings and warmer weather, children are naturally wanting to stay out later, so please know where they are, what they are doing and who they are with - don't let me and my colleagues be talking to them more than you!

Thank You Bar Hill

Camsight (The Cambridgeshire Society for the Blind and Partially Sighted) would like to thank the residents of Bar Hill, in particular the very kind people who collected on our behalf from 8 - 22nd March this year. The village raised £288.80 towards helping blind and partially-sighted people in the county. We are most grateful for this wonderful result.

Clerk available - weekday mornings
(answerphone in operation at all other times)

The monthly meeting of the Parish Council was held on Thursday, 19th June at 7.30 pm in the Committee Room of the Village Hall.

Co-option of Parish Councillor

The vacancy for a Parish Councillor was filled by the co-option of Mr. H. Welburn.

Tesco redevelopment proposals

The Clerk reported that Tesco had said they would be contacting the Parish Council in the very near future to present new proposals for their redevelopment.

"Cineantics"

An afternoon of film and creative activities is being arranged by the Arts Cinema in conjunction with the Parish Council. This will be held on Wednesday 20th August for 5 -10 year olds. Details will be available shortly via Bar Hill School.

Land Purchase

Councillors confirmed they will continue their current policy of not selling off land to residents.

Project 2000

A donation request had been received from the Chairman of the Village Hall Management Committee. The Parish Council agreed to start their July meeting earlier so that more time can be allotted to discuss this.

Security Patrols

These had been carried out since early May. The guard had submitted a report to the Parish Council of occurrences on his patrols. The Parish Council agreed to extend the patrols for a third month while discussions take place regarding the sharing of costs for the guard between the relevant building owners.

Safer Villages Initiative

64 questionnaires were returned and the findings will be published next month. The first meeting of the committee of volunteers will be arranged within the next few weeks.

Vandalism

Two walls and a bus shelter had been subjected to vandalism in the previous week.

Clerk to the Parish Council

British Red Cross

Volunteer Drivers and Escorts needed for new Red Cross Service

Cambridge-based volunteers are urgently needed for the charity's Transport and Escort service which enables elderly and vulnerable people who have difficulty in travelling, for whatever reason, to get out and about and go on journeys they might otherwise not be able to make.

Drivers are needed who are willing to drive either their own car, for which they get mileage, or the branch's specially adapted vehicle for wheelchair users. Meanwhile, escorts are needed to accompany the people on their journey.

Director of the Cambridgeshire Branch of the British Red Cross, Dorothy Quayle, said: "Even if volunteers can only offer a few hours now and then we would be very pleased to hear from them. The service is extremely well-used and gives people back a degree of freedom and independence."

Examples of when the service has been used in the past include when a young mother needed to take her severely disabled son to a hospital appointment, but also had to look after a lively toddler. Another case was a partially sighted woman who was facing a difficult train journey to visit her sick brother. Escorts are often required to accompany people on air and coach journeys.

Each driver and escort is specially trained in helping people who have difficulty in travelling and all work to a high standard of care, delivered with confidentiality, dignity and impartiality.

If you are interested in becoming a trained Red Cross volunteer, or in offering financial support to Transport and Escort or other Red Cross projects, please contact Sallie Clark or Clare Brown 01223 354434

Happy Hours (Recycled Youth Club)

"Heartiest Congratulations!"

A sponsored walk in aid of the Macmillan Fund, recently undertaken by Olwen Goodwin and Hermione Bowen, raised the magnificent sum of £150 - what an achievement. Olwen, who hails from Wales and Hermione from Cornwall, are part of that civilization which thrives on these activities. Well done, you young chicks, for setting an example for the rest of us!

In Memoriam

One of the saddest tasks I have when writing for the Bar Hill News is recording the passing of any of our members, when you have got to know them and enjoyed their company over many years it becomes difficult to put into words. You will have noticed that I always use that true masonic phrase "They Lived respected and Died Regretted" and when you read deep into those words it reflects our deep feelings for them. Sadly, Jim Platt has now left us, a real sterling character indeed, a committee member for years, and even when ill-health forced his resignation he was still there to help. Jim and I shared a few sporting interests, racing, football, lottery and bowls and he had a n uncanny instinct in picking the winners. One of the greatest memories I have of Jim is his love of playing Crib - the joy of laying down a really worthwhile hand and for Jim to remark "well done" relates the true disposition of such a wonderful man. In Jim and Joan's younger days they were members of the Cambridge Dance Formation Team and I can well picture what a lovely elegant couple they must have looked, incidentally, Jim used to design Joan's dance dresses and Joan used to make them. One of the most apt phrases I heard shortly after his passing was from one of their staunch friends, relating to Jim's great interest in horse-racing "no doubt God would provide a race track for him in Heaven". Our Chairman Roy has asked me to convey his thanks to the many members who attended the service.

Summer Fete

You will be delighted to know that the Sports and Social Club has once again donated the magnificent sum of £50 towards our bottle stall, which will again be ably run by Jean and Brian. Our Chairman wishes to thank those members who have also contributed a bottle towards our stall. The total proceeds from our stall and raffle will be

entirely donated towards our Christmas Lunch. Our sincere thanks. Thanks also to Olive Taylor, who is making a cake to be raffled.

Sick List

You will have noticed that we have not had the pleasure of Jean McHoul's company for several weeks, as she is still waiting for her knee and hip operation: let's hope it will be soon so that she can get back on her pins and join us again! The good news is that Phyllis Channell is back with us after her knee joint replacement, as chippy and smiling as ever. Phyllis Boucher has had her eye operation and Des Burnett is still waiting for his operation.

Basic Training

*I didn't know a **bold** from an **italic**
A **keyboard** was an organ, so I thought.
To **justify** was proving to the missus
That my **Floppy Disc** wasn't something that I'd caught.
I thought **delete** was hanging from the ceiling.
A **shift** '6 til '2' or '2 til '10'
And of course I knew a **cursor** when I saw one -
My wife at midnight, "where've you been again?"
A **monitor** was a great big ugly lizard.
Alt was "stop at major road ahead".
And a **font** I well remember as a baby
When some idiot poured water on my head.
Basic was your training in the army
When you queued in single **file** outside the Mess.
The **menu** was the same from dawn to sunset
And a **mouse** could not exist on any less.
So if you want to learn **computer** language
And like me your **memory**'s like an empty shed.
This list may help **imprint** in your **system**.
Then like me you can **escape** and go to bed

Little Acorns Pre-School

Little Acorns is a privately-run Pre-school, offering structured sessions where children aged 3 and up are encouraged to participate in a wide variety of educational activities in a friendly, sociable environment. We meet in the church centre on Tuesday mornings, and Wednesday, Thursday and Friday afternoons, and have recently moved to the school studio on a Monday morning for our fifth session which is specifically aimed at children who are in their last year at Playgroup. We hope that this will be a lovely way to introduce children to the school environment, so that by the time they enter the school they will be at ease and familiar with their surroundings.

We have a system of record keeping which allows us to monitor each child's attainments and provide for their individual progress.

We have recently been inspected by an OFSTED Nursery Inspector and the official report is available to anyone wishing to borrow a copy.

If you would like to know more we have a prospectus available from the library or meetings room. Alternatively you may like to telephone us to arrange a visit.

At pre-school playgroup we are proud to have 2 rooms. The craft room encourages creative play with activities such as painting, cutting out, gluing and modelling, leading to a more structured format including writing, basic maths and occasional cooking lessons. The play room is designed to help develop the children's agility, co-ordination and imagination through pretend play with a wide range of activity toys/equipment and playhouse. We also have lots of books, puzzles, games, etc. Another facility is our fenced in play area where the children can play safely when weather allows.

Sessions are run by our friendly, experienced staff - Heather, Barbara, Jan, Jenny and Lysa. Our new 'Play Tots' session is open to all children between the ages of 18 months and 2½ years. General sessions are for children 2½ to school age.

If you would like to visit Playgroup, please call in at any session. The Playleaders will be happy to show you around and answer any questions.

Application forms from Playgroup, the Library, or Jenny Dedman 782037 (before 7 pm).

Our session times are:-

Mon - Thu 9.15 - 11.45am

Wed 'Play tots' 9.30 - 11.00am

Tues and Thurs 1.00 - 3.30pm

(Friday is for pre-school children from January)

The Royal British Legion

Members were saddened to learn of the death of Mr. Denis Wilson, the Cambridge County President. Several of our Branch attended the funeral at Longstanton Church, as did many British Legion members of Cambridge and District, with a large number of Branch Standards on parade. Denis was a good friend to this Branch, helping us to become re-formed and always interested in our efforts. His concern and advice for our organization was always friendly and helpful, giving us the benefit of his long experience. He will be sadly missed. We extend our sympathies to Mrs Wilson and family.

Our next Branch meeting will be in the Village Hall on Thursday 24th July at 7.30 pm.

THE GUIDE ASSOCIATION

The Rainbows from the village were joined by others from the rest of the County at the AGM in Bar Hill School on June 14th, when they performed songs and a drama of a version of the story of Noah.

Brownie Revels at Over School on June 21st will see many of our Brownies taking part in fun and games with a water theme and hopefully swimming afterwards.

Some Guides helped at the Jumble Sale on 31st May, when we raised £150 to help cover overheads and costs of Guiding in Bar Hill, and also acted as human signposts for participants in the AGM. They went swimming and are still looking forward to their camp in July.

I am presently writing to the parents of our older Rainbows with the sad news that there are no places in the Brownie units for them as they reach their 7th birthday, which is when they would usually expect to go up. The appeal is therefore out for any adults who could help at the existing units or would commit to opening a third Brownie Pack to get in touch with me as soon as possible.

Scouts

helping young people get the most out of life

The long summer days give all sections the opportunity to put the "out"

into Scouting. During the term everyone has been participating in various activities, both Group and District events.

Some of the Beavers are having a day out with others in the area, known as a Beaveree. For most of them this will be their first activity outside the village and we hope they have a good time they will have fun with their friends from other Colonies.

Aquarius Cubs are going to Gilwell Park in Essex, the home of Scouting, for a day which has always proved to be full of surprises! Friday Cubs have been kept a little nearer to home, but have enjoyed a family hike and are looking forward to a barbecue at the end of term. Unfortunately they are without their Akela at present and we wish Derek Ford a complete recovery in the very near future.

The Scouts have already tried and approved of the new tents at their camp in May and are again off for a weekend soon. Our thanks to the Sports and Social Club and the Residents' Association for their generous donations which helped to make this possible

Bar Hill Sports and social club

At our last committee meeting we agreed to adopt the Village Hall Pre-School Playgroup as our charity for the forthcoming year. Various events will be held over the year, with a view to raising money for them. We also agreed to donate £50 for new shorts for the colts Under 11 football team and to honour an earlier commitment of £350 for the Cricket Club roller.

The Family Quiz Night on Saturday 14th June was a resounding success, the title of "Brains of Bar Hill" going to the Wells family - well done to Bob, Jill and the girls. Thanks go to Margaret for supplying the questions and running the quiz on the night.

The Social Club recently sponsored the Golf Society's day out at Gosfield Lakes, which was, once again, a very successful trip. Matt Pope won the singles and, together with Phil Neep, won the pairs competition. There are a few vacancies in the Society, so if you are a Social Club member and would like to join, see either Geoff Callcut (Secretary to BHGS) or Sue Callcut (BHSSC Steward) who has application forms available behind the bar.

During the 30th Anniversary celebrations Sue and Jethro organised our first mini Beer Festival with thirteen real ales of various strengths, colours and imaginative names. Judging by the amounts consumed, it has to be deemed very successful to say the least, and hopefully this will become an

annual event, so thanks to all who supported it.

We are rapidly approaching membership renewal time and we hope to start taking renewals and new memberships during August to ease the administration. Yet again the membership fees remain unchanged, ie £3 rising to £5 after 30th September, per adult and £1 for Senior Citizens. If you would like to join the Bar Hill Sports and Social Club now is the time. We are situated within the Village Hall, overlooking the Village Green. We offer a wide range of beers, wines and spirits, all at very competitive prices, served in comfortable surroundings. The Club is open seven nights a week and Friday, Saturday and Sunday lunchtimes. Children are welcome until 9 pm every evening, and until closing time on Saturdays.

For those of you who have not noticed, we now have a bottle bank within the Village Hall car park. This is a single bank for bottles of all colours, so instead of going all the way to Tesco to dispose of your bottles, why not drop them off at the one in the Village Hall car park instead?

Forthcoming events:

4th July	"Off the Record"
18th July	Bastille Day Celebrations
31st July	Ladies Games Night
10th August	Wrinklies Cricket Match
New Year's Eve	"Bob Marshall Sound"

Colts Football

Sunday 15th June saw the usual turn-out of the "old stagers" as the Colts Dads' 5-a-side took place on the school playing field. Victory this year went to the U8's (complete with a goalkeeper rumoured to have a double in another team), over the U12's, who were superbly marshalled by Jack Fleming. A sizeable crowd had an enjoyable afternoon.

The Colts AGM was very well attended. This year's elected officers are:

Chairman: John Houston
 Vice-Chairman: Barry Dean
 Secretary: Diane Chapman
 Treasurer: Ian Crofts
 Publicity: Neville Watson
 Parents Rep: Brian Howard
 Entertainments Officers: Ruth Fordham and
 Debbie Carminati

It is always sad to see people leave the Colts committee who have put much effort into ensuring that we continue to be one of the most successful Colts clubs in the area. Three long-serving committee members tendered their resignations at the AGM. Very big thank yous go to outgoing Chairman, Ron Hodierne, Treasurer Jim Charlwood and Entertainments Officer Diana Birley. I'm sure that none of them will lose contact with the Colts, and they will all be welcomed back at any time.

Team Managers were confirmed for the season 1997/8 as follows:

U8 Dawn Miller U9 Barry Dean
 U10 (Mini-League) John Lumb
 U10 (11-a-side) Paul Douglas
 U11 Ed Zuiderwijk, Chris Graham, Karl Wilson
 U13 Jack Fleming, Dave Kember
 U14 Ian Crofts, Brian Howard
 U15 Tony Carminati
 U16 Neville Watson, Andy Nicolas

Training

Most teams will re-commence training during August and Managers will be letting their players know the exact details shortly.

Code of Conduct

The last football season saw an unacceptable increase in disciplinary problems on the field of play. In order to introduce some control and bring about an improvement in conduct, the Colts committee are introducing, with the co-operation of Cambridgeshire Football Association, a Code of

Conduct. All players and team managers of teams competing in the Cambridge and District Colts League will need to sign the Code of Conduct before they will be allowed to play for or manage any of our teams. We would appreciate it if spectators could also read the Code of Conduct and support us in our efforts to prevent any further problems.

Boot Exchange

Bridget Hares continues to run a very successful boot exchange/sale scheme for the Club. If any lads are looking for new boots, and I am sure there will be many before the new season starts in September, contact Bridget at 16 Partridge Drive 201727

Service you can count on

Come September

What is it that every household owns, something that it is almost impossible to imagine the family being without, gives a great deal of pleasure, and for a very modest sum can provide an interest for many years to come? No, not the TV, car, hi-fi, or even the cat! It's your camera!

You could be the complete camera buff struggling up Snowdon with 60kg of lenses, tripods etc., or you could be a "Christmas and family outings" photographer, taking shots of the children as they grow up, Granny with her icecream, or a lovely sunset in the Lakes. There is always a lot of pleasure in the results.

Whatever your involvement, your skills, your camera, there would be plenty to interest you any Thursday evening at the Swavesey Camera Club. There is something for everyone. Our members are of every type, age and interest, and it's a great way to make new friends.

You don't have to be a dedicated photographer, though of course if there is anyone out there who can take brilliant competition class photos and slides please, PLEASE come along. Though some of our members do fit that description others find

just as much pleasure in the very entertaining lectures, with stunning slides on diverse topics such as Hot-air ballooning, Mountaineering or Wildlife. If the usual slide show you have seen has been on the lines of "What I did on my hols" you are in for an eye-opener.

Our enthusiasm for photography is equalled by our interest in all the social activities of the club, as we have a very varied programme, especially in the summer when we have visits to outside locations such as Linton Zoo and the Mullard Radio Observatory, as well as barbecues and picnics. This year we are going punting, which should produce some pleasing - possibly embarrassing! - shots. Everyone can bring their friends and family. Traditionally after every weekly meeting a few of our members adjourn to continue their in-depth study of local architecture (usually the White Horse in Swavesey).

If you want to improve your photography or just your social life come along on Thursday evenings to the Music room at Swavesey Village College and try us out.

Field and Track

"Oh to be in England, now that summer's here". So much to see and do! The countryside is alive with sounds and smells. Walk through any grass-land area protected from sprays and look at the array of flowers to be seen - pure joy!

Lots of young birds can be seen now, fluttering about in the undergrowth getting their first use of their wings, constantly calling to mum and dad for attention and food. But watch out for the Sparrowhawk, he also needs food for his babies. It could be you!

Walk through any wood or along any ride and you will see loads of butterflies: Small Tortoiseshell, Skippers, Blues, Peacock and Speckled Wood. Watch the 'Woods' chasing each other, first spiralling high up together and then fluttering down slowly. Keep a look out for day flying moths - the biggest being the Hawk Moth. Also look out for the Cinnabar and Six Spot Burnet (black and crimson, you can't miss them).

In the ponds at this time look for the tadpoles, which have now sprouted their back legs. Look for the newts - mainly Common and Great Crested, coming up for air every few minutes, along with the Pondskaters, Waterboatmen, Whirligigs and other assorted diving beetles. Meanwhile, the Minnows and Sticklebacks are trying to tempt the females into their 'love-nests'. The males have bright red bellies, and on close inspection, are quite easy to spot.

The trees are looking magnificent now, the Horse Chestnut (with its white 'candlesticks') and my own favourite, the Oak. The Oak is host to over 200 different species of animals and insects. It is a very thirsty tree, and needs about 200 gallons of water every day. That should not be difficult considering the amount of water lost by the Water Companies!

This is a good time to see Dragonflies (there are two types, Hawkers and Darters) and the 'fairy like' Damselflies, fluttering, it seems, where the breeze takes them, early morning being the best time to see them 'emerge' from their 2 to 3 years of watery existence beneath the surface, where they spend their time eating anything they can get hold of, from tadpoles to small fish. Early morning sees them climb the stems of the Flag Iris and wait, slowly going through the process of splitting their skin and climbing out of it, pumping fluid around their wings before letting them harden in the sun. Then they take to the air - a truly magnificent sight!

Go out into the countryside and see for yourself. But remember -

"Take nothing but photographs. Leave nothing but footprints"

Madingley School

Situated in the attractive village of Madingley, just five miles from the centre of Cambridge, the school takes pupils from 2+ to 7 years old and offers a small, close-knit environment in which children thrive.

Madingley school is a parent-teacher co-operative, and parents have a real involvement in the school's running.

Places are available immediately in our nursery (ages 2+ to 3) and infants classes (ages 4 to 7), at very reasonable rates. We also offer an after-school club.

If you would like more information or a prospectus, please call on 210309 or write to:

Stop Press

Appologies

As you may have already spotted, the front cover this month has the wrong date for the Children's Giant Activity Afternoon! It is, of course, on **Saturday 19th July**, not the 29th! We hope you will all enjoy the entertainment, and that not too much confusion is caused by the error.

The Fête

It was with great regret that this year's Village Fête was postponed, but we think you will agree that the weather was particularly bad. In fact, the weather men say that it was the wettest June for 40 years (ie. pre Bar Hill)! Let's hope that some of this water is going into the reservoirs!

There would definitely have been a problem with using the Village Green, and the indoor sites were not available, or even suitable. We are sure that you will make **Saturday 5th July 1997** a fête to remember!!!!
